

—When cleaning gets tough, the tough get SuperPowerz!—

- **Effective Against:** Many types of bacteria, mold, rust, stains and mildew
- **Replaces:** Multiple products for home and commercial use including garages, exteriors, outdoor grills, vent hoods, engines, equipment, stubborn stains, bathrooms, floors and even carpets

Directions:

- **Tough Jobs:** Use at Full strength
- **Light Cleaning:** Dilute 4-6 oz in 32 oz of water

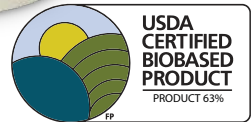

Spray directly on area to be cleaned, and allow SuperPowerz to sit for a few minutes before wiping off with a cloth, sponge, stiff brush, scouring pad or steel wool depending on area being treated. Test on an inconspicuous area first to ensure colorfastness.

FREE

ToxicFree® Benefits

- Free of chemical toxicity present in most household cleaning products
- note the Hazard Warnings on their labels

SuperPowerz

Certified ToxicFree® Ingredients

Purified Water (Aqua), Potassium Acetate (a combination of potassium and acetic acid), Citric Acid (natural fruit derived), Acetic Acid (highly concentrated compound from vinegar), Sodium Chloride (salt), Citrus Limonium (Lemon) Oil (and) Citrus Aurantifolia (Lime) Oil*.

*Organic

Hero Ingredient

Acetic Acid (Component of Vinegar)

- Excellent for household cleaning
- Acetic acid is a chemical compound naturally present in all living organisms
- It is also biodegradable and readily breaks down into carbon dioxide and water
- It is great for general disinfecting and combatting mold and mildew

Potassium Acetate (Salt of Acetic Acid & Water)

- Potassium salt of acetic acid and water
- Readily biodegradable
- Non-corrosive
- Does not contain urea
- Low toxicity to fish, mammals, and vegetation

Rust Stain (40 seconds)
