

## Tamanu Shampoo

— Make Every Day A Great Hair Day —

- Anti-aging hair care is a salon quality formula without the harmful sulfates, parabens and silicones found in many shampoos
- Infused with essential fatty acids found in the Tamanu seed, it is not only exceptional for treating dry, damaged hair (including color-treated hair)
- Great cleanser for those prone to oily hair
- Enjoy the invigorating scent of wild orange as you care for your hair with confidence

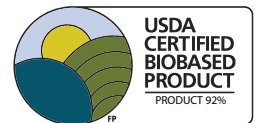

**Directions:** Massage into wet hair and scalp. Rinse thoroughly. If suds are light, repeat. For best results, follow up with Tamanu Conditioner.

Made

\* Organic

\*\*Ecocert and/or Internationally Approved (1) NOP - NSF Organic Compliant/Ecocert Compliant

## Hero Ingredient

### Calophyllum Inophyllum (Tamanu) Seed Oil

- Assists in improvement of split ends.
- Moisturizes hair.
- Helps with damage from chemicals and environmental stresses.

### Hydrolyzed Quinoa

- Binds moisture and provides nourishment to skin and hair.
- Makes hair look smoother and silkier.
- Considered a complete protein, quinoa contains all 8 essential amino acids.

### Panthenyl Hydroxypropyl Steardimonium Chloride

- Better wet combability versus Panthenol.
- Improved dry combability versus Panthenol.
- Better dry conditioning benefits versus Panthenol.
- Less frizz after drying hair versus Panthenol.
