

# Wild Thing Shower Gel

## Don't Worry, Be Happy

- Anti-aging botanical cleanser washes away pollutants while the skin is soothed, moisturized and protected
- Cationic charged ingredients immediately bind to moist skin providing resistance against the drying effects of chemical additives in water
- Chlorine and other contaminants often present in water are bound together and rinsed clean without drying the skin, while unique ingredients aid in optimal moisture retention
- Your skin will feel clean, fresh and healthy with this soothing, nutrient-rich cleansing gel. It gently cleanses all skin types leaving soft, moist, healthy-looking skin
- Scintillating scent combination of Citrus, Vanilla & a Hint of Peppermint

**Directions:** Apply to wet skin. For additional lather, use a sponge or nylon ball. Add to running bath water for a relaxing, nurturing bath. Gentle enough for babies and people with sensitive skin.

Made  
IN USA

BPA  
FREE

## ToxicFree® Benefits

- Free of sulfates & parabens Found in most body care products
- One of the lowest rated levels of toxicity

# Wild Thing Shower Gel

## Certified ToxicFree® Ingredients

Aloe Barbadensis (Aloe Vera) Leaf Juice\*, Purified Water (Aqua), Decyl Glucoside (Mild Coconut Derived Cleanser) (1), Vegetable Glycerin\*\*, Cocamidopropyl Hydroxysultaine (Natural Coconut Sudsing Agent) (1), Caprylyl/Capryl Glucoside (Coconut Derived) (1), Coco-Glucoside (and) Glyceryl Oleate (Coconut & Sunflower Oil Derived), Citrus Aurantium Dulcis (Sweet Orange) Oil (and) Citrus Aurantium Dulcis (Blood Orange) Oil (and) Citrus Aurantium Bergamia (Bergamot) Fruit Oil FCF (and) Vanilla Planifolia (Vanilla) Fruit Oil (and) Cocos Nucifera (Coconut) Oil\*, Lactobacillus (and) Cocos Nucifera (Coconut) Fruit Extract (Fungicide) \*\*, Mentha Piperita (Peppermint) Oil\*, Guar Hydroxypropyltrimonium Chloride (Highly Charged Cationic Polymer), Xanthan Gum\*\*, Plant Extracts (and) Malic Acid (Vitamin E, Bio-Flavonoids, Polyphenols, Natural Plant Sugars and Organic Acids derived)

\* Organic

\*\*Ecocert and/or Internationally Approved

(1) NOP - NSF Organic Compliant/Ecocert Compliant

## Hero Ingredients

### Aloe Vera (Aloe Barbadensis) Leaf Juice

- Maintains the highest levels of polysaccharides, amino acids and minerals.
- It is an acetylated polymannose known as Acemannan, whose structure and functional effects have been very well established.

### Cocamidopropyl Hydroxysultaine

- Derived From Coconut.
- Bio-degradable and self-preserving.
- Superior Foam quality.
- Excellent for hard water conditions.

### Decyl Glucoside

- Obtained From 100% renewable vegetable origin.
- Maintains skin balance without dryness.
- Good Foaming power.
- Readily Biodegradable.
